# Arguing better

Disagreements are a normal part of life, and most couples argue from time to time. The way you approach these conversations can make a big difference to you, your partner, and your children.

*Arguing better* is a free online course to help you manage difficult conversations, avoid conflict, and improve things for your whole family.

## You will learn:

- Where stress comes from and how it can affect you.
- Ways to recognise stress and talk about it.
- How to support each other through difficult times.
- What causes arguments and how to stop them.

To access the course, you will need a smartphone, tablet, or computer, and a good internet connection. It's FREE to use, so you'll just need to create an account with a username and password.
