

<p>English: We will be reading our main text 'Alfie's Adventure with the Romans' by Michael Rosen.</p> <p>Poetry: We will write an acrostic style poem about Romans.</p> <p>Non- Fiction: We will write a set of instructions for 'How to dress like a Roman Soldier'. As writers, we will focus on writing for the reader and editing our writing. We will consolidate our spelling rules and patterns, including the use of suffixes such as -ed, -es, -ing. As readers, we will continue to apply our phonic knowledge and develop our comprehension skills.</p>	<p>Class information:</p> <ul style="list-style-type: none"> • P.E. is on Monday; please come dressed ready for PE. • Please tie long hair back with white, blue or black accessories only. • Please bring reading books, spellings books and a named water bottle to school every day. • Please name all uniform! <p>Please regularly check the website and your emails for extra information.</p> <p>Please contact parents@beckfootpriestthorpe.org with any questions.</p>
<p>Maths:</p> <p>Number and Place Value: We will revisit skip counting in 2s, 5s, 10s and 3s from any given number. We will compare and order numbers and different representations to 100 using the <, > and =.</p> <p>Measurement: We will explore the use of appropriate standard units to estimate and measure amounts. We will recognise and use symbols for pounds (£) and pence (p). We use our knowledge of addition and subtraction to combine amounts to make a particular value and calculate change given from an amount.</p>	<p>Ideas for home school projects:</p> <ul style="list-style-type: none"> • Make some Roman mosaics using squares of paper. • Find and mark the Roman Empire on a world map. • Make and decorate a clay pot. • Research Roman innovations, such as roads and libraries. Why are these important? • Glue cut out leaves onto a headband to make a laurel wreath. • Create a Roman quiz and test someone's knowledge. • Find out what Roman soldiers used to wear. Draw a Roman soldier and label their items. • Practise marching or Roman sports, such as javelin, running or even weightlifting! • Learn how to write numbers in Roman numerals. • Make a sundial and use it to tell the time of day. <p>If the project is difficult to transport, you could send a photo to the parent email address.</p> <p>parents@beckfootpriestthorpe.org</p>
<p>Home learning:</p> <ul style="list-style-type: none"> • Read at home (at least 3x weekly) and make a note in the reading record. Share many different books at home to develop storybook language. • Support your child with learning spellings (at least 3x weekly) • Access Numbots regularly to practise number facts. • Complete a home/school project. <p>Extra home research around our topic is also greatly appreciated.</p>	<p>History:</p> <p>In History lessons, we will explore the topic Romans in Britain. We will learn about the Roman empire, their armies and how they conquered Europe. We will find out about the changes and the impact the Romans had on life in Britain.</p>
<p>Science:</p> <p>Our theme this term is the human body and growth. We will continue to learn about the systems in our bodies, their purposes and how they work together. We will learn how to keep each system working and healthy.</p>	

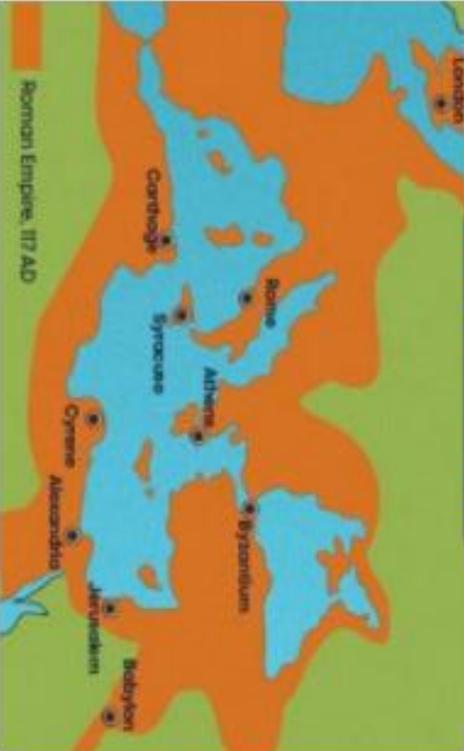

HISTORY KNOWLEDGE ORGANISER

YEAR: 2

UNIT: Romans

The Roman Empire

Julius Caesar
Tried to invade Britain but was unsuccessful

Emperor Claudius
Successfully invaded Britain and made it part of the Roman Empire
